6.2 At the annual Members’ Meeting held to adopt these Articles, two Directors must retire by rotation notwithstanding Article 6.19.

Qualification of Directors
6.3 A Director need not be a Member.
6.4 Directors must be persons who are ordinarily resident in Australia or New Zealand. The Society may determine further qualifications of Directors at a Members’ meeting.

Nomination and notice of candidature
6.5 A person must give written notice to the Society that the person wishes to nominate as a candidate for election to the office of Director at the meeting at least 35 days before the meeting, to be eligible to be elected as a Director at a Members’ meeting.

6.6 Article 6.5 does not apply to a Director retiring from office by rotation at the meeting.

Appointment
6.7 Except in relation to the appointment of Directors to fill casual vacancies, under Article 6.10(a), all elections to fill vacancies for Directors arising from retirement or otherwise must take place by ballot in accordance with Articles 6.12 and 6.17. The total number of Directors must not at any time exceed the maximum fixed under Article 6.1. The Society must, with the notice of meeting, forward each Member notice of the name of each candidate for election to the office of Director and any information about the candidate that is authorised by the candidate and conforms with any requirements specified by the Directors.

6.8 If the number of candidates for election does not exceed the number of Directors to be elected, all the candidates will be deemed to be elected Directors without a ballot.

6.9 If the election of a Director is made by ballot, voting rights will be the same as if the vote was conducted by a poll. The candidate who receives the highest number of votes will be elected. If there is more than one vacancy, the candidate who receives the second highest number of votes will be elected and so on, until all the vacancies are filled. If there is an equality of votes, the position must be determined by drawing lots in any manner determined by the Chairperson.

Casual vacancy
6.10 The Directors may at any time:
   (a) appoint a person to fill a casual vacancy; or
   (b) decide that an election to fill the casual vacancy must be held by the Society in Members’ meeting by ballot.

6.11 Any Director appointed to fill a casual vacancy holds office until the next annual Members’ meeting but must not be taken into account in determining Directors who are to retire on rotation.
Ballot
6.12 In addition to any electronic voting procedures instituted under Article 6.17, postal voting for Directors shall be available to any Member entitled to vote on request by the Member in writing to the Society within 5 days after the giving of notice of the Members’ meeting at which the Member wishes to vote. If a Member requests to vote by post, the Society must forward the following information to the Member:
   (a) a voting paper stating the number of Directors to be elected and the names of all candidates for the election in alphabetical order;
   (b) a statement of the number of votes that are allocated to the Member in the postal ballot;
   (c) an envelope for the completed voting paper and a return envelope addressed to the attention of the Secretary;
   (d) an identification form for the Member’s endorsement, to be verified by the Secretary, as postal voting must be exercised personally and not by proxy; and
   (e) appropriate instructions as to the voting procedure.

6.13 Only those postal votes received by the Secretary at least seven days before the Members’ meeting fixed for the election of Directors will be counted in the postal ballot. Voting papers not returned to the Secretary will not invalidate the ballot.

6.14 The non-receipt by any Member of a voting paper or any of the other items required by Article 6.12 does not invalidate the ballot.

6.15 A scrutineer, being a partner or employee of the Auditor may be appointed by the Directors for the ballot. The scrutineer may declare that a vote is valid even if:
   (a) the votes are endorsed for a lesser number of candidates than the number of Directors to be elected; or
   (b) the method for completing the ballot paper has not been strictly followed but the scrutineer considers that the voting intention is clear.

6.16 Ballot papers must be destroyed after the declaration of the result of the election, unless the Chairperson otherwise directs.
6.17 Notwithstanding any other provision in these Articles setting out a method of voting, including postal voting, the Directors may institute procedures for voting electronically in such manner and at such times as they consider appropriate.

Rotation of Directors
6.18 A Director may not retain office for more than three calendar years or beyond the third annual Members’ meeting following the Director’s election (whichever is the longer period) without submitting for re-election.

6.19 At the annual Members’ meeting in each year, one third of the Directors in office or, if their number is not a multiple of three, the number nearest to but not less than one third, must retire from office.

6.20 A retiring Director may act until the conclusion of the meeting at which the Director retires and is eligible for re-election.

6.21 Subject to the Corporations Act 2001, the Directors to retire by rotation at each annual Members’ meeting are those who have been longest in office. The length of time a Director has been in office must be computed from the date of the Director’s appointment.

6.22 If two or more Directors have been in office an equal length of time, the Directors to retire are, in default of agreement between them, to be determined by drawing lots in any manner determined by the Chairperson.
7. Remuneration and Expenses

7.1 Subject to Article 7.2, the Directors are entitled to remuneration for their services as Directors, such sum accruing from day to day as the Society in Members’ meeting determines.

7.2 If a Director at the request of the Directors, performs additional or special duties for the Society, the Society may remunerate that Director by payment of a fixed sum or salary to be determined by the Directors and that remuneration may be either in addition to or in substitution for that Director’s remuneration under Article 7.1.

7.3 A Director is also entitled to be reimbursed for such reasonable travelling, accommodation and other expenses as the Director may incur when travelling to or from meetings of the Directors or a committee or when otherwise engaged on the business of the Society.

8. Vacation of Office

8.1 The office of a Director is automatically vacated if the Director:

(a) ceases to be a Director by virtue of, or becomes prohibited from being a Director because of an order made under, the Corporations Act 2001;
(b) becomes bankrupt or insolvent or makes an arrangement or composition with creditors of the Director’s joint or separate estate generally;
(c) dies;
(d) becomes of unsound mind or a person whose person or estate is liable to be dealt with in any way under a law relating to mental health;
(e) resigns office by notice in writing to the Society or refuses to act;
(f) is not present personally or by an Alternate Director at the meetings of the Directors for a continuous period of six months without leave of absence from the Directors; or
(g) is removed from office by an ordinary resolution of the Society.

9. Powers of Directors

9.1 The management of the affairs of the Society is vested in the Directors and they may exercise all the powers and do all the things which the Society is by its Memorandum or otherwise authorised to exercise and do and are not by these Articles or by statute required to be exercised or done by the Society in Members’ meeting, subject to the provisions of the Corporations Act 2001 and of these Articles.

9.2 The Directors may borrow or raise money for the Society and secure the repayment, satisfaction or performance thereof or of any debts liabilities contracts or obligations incurred or undertaken by the Society as they think fit.

Appointment of Attorney

9.3 The Directors may, by power of attorney, appoint any person or persons to be the attorney or attorneys of the Society for the purposes and with the powers, authorities and discretions (being powers, authorities and discretions vested in or exercisable by the Directors) and for the period and subject to the conditions that they think fit.

9.4 Any such power of attorney may contain such provisions for the protection and convenience of persons dealing with the attorney as the Directors think fit and may also authorise the attorney to delegate all or any of the powers, authorities and discretions vested in the attorney.

10. Proceedings of Directors

Meetings

10.1 The Directors may meet for the dispatch of business, adjourn and otherwise regulate their meetings and proceedings as they think fit.

Quorum

10.2 Unless the Directors determine otherwise, the quorum for a Directors meeting is 3.
Effect of vacancy
10.3 The continuing Directors may act notwithstanding a vacancy in their number but, if their number is reduced below six, the continuing Directors may, except in an emergency, act only for the purpose of filling vacancies to the extent necessary to bring their number up to six or for summoning a Members’ meeting.

Convening meetings
10.4 A Director may, and the Secretary on the request of a Director must, convene a meeting of the Directors.

10.5 A Director who is not in Australia or New Zealand at the time that notice of a meeting of Directors issues, is not entitled to notice of a meeting of Directors.

10.6 A Directors’ meeting may be held in two or more venues using any technology that gives Directors a reasonable opportunity to participate and is agreed to by all Directors.

Chairperson
10.7 Subject to Article 10.8, the Directors must elect a Chairperson who holds office from the date of election until the first meeting of Directors held following the annual Members’ meeting in the year after election.

10.8 The Chairperson may be removed from that office by a resolution of the Directors of which not less than 14 days’ notice has been given to all the Directors for the time being in Australia.

10.9 The Chairperson is entitled to preside at meetings of the Directors but, if the Chairperson is not present and able and willing to act within ten minutes after the time appointed for a meeting or has signified an intention not to be present and able and willing to act, the Directors must elect one of their number to be Chairperson of the meeting.

How questions decided
10.10 Questions arising at a meeting of the Directors are to be decided by a majority of votes and if there is an equality of votes the Chairperson of the meeting has a casting vote. The Chairperson has a discretion both as to whether or not to use the casting vote and as to the way in which it is used.

10.11 If there is an equality of votes and the Chairperson does not use the casting vote, the questions arising at a meeting of the Directors must be put for a second vote. If there is an equality of votes and the Chairperson does not use the casting vote on the second vote, the question to be decided fails.

Committees
10.12 The Directors may delegate any of their powers to a committee of Directors.

10.13 A committee must exercise the powers delegated to it in accordance with any directions of the Directors. The effect of the committee exercising a power in this way is the same as if the Directors exercised it.

10.14 Subject to Article 10.13, the meetings and proceedings of a committee consisting of two or more Directors are governed by the provisions of these Articles as to the meetings and proceedings of the Directors so far as they are applicable.

Written resolution
10.15 A resolution may be passed by the Directors without a Directors’ meeting being held if all the Directors entitled to vote on the resolution sign a document containing a statement that they are in favour of the resolution set out in the document.
10.16 For the purpose of Article 10.15, two or more separate documents may be distributed for signing by the various Directors provided that each document is in identical terms. All documents so distributed will be deemed to be one document. The resolution is passed when the last Director entitled to vote signs the document.

Validity of acts of Directors

10.17 All acts of the Directors, a committee or a person acting as a Director or member of a committee are valid even if it is afterwards discovered that there was some defect in the appointment, election or qualification of any of them or that any of them was disqualified or had vacated office.

11. Chief Executive Officer

Appointment and removal

11.1 The Directors may appoint a person to the office of Chief Executive Officer either for a fixed term or without limitation as to period of appointment but not for life, and may remove a person so appointed and appoint another instead.

Remuneration

11.2 The Directors may determine the remuneration of a Chief Executive Officer.

Powers

11.3 The Directors may confer on a Chief Executive Officer such of the powers conferred on the Directors by these Articles, for such time, to be exercised for purposes, on terms and with restrictions as they think fit and all or any of those powers may be conferred collaterally with but not to the exclusion of the powers of the Directors and may be revoked or varied by the Directors.

12. Alternate Directors

12.1 Subject to the Corporations Act 2001, a Director (“appointor”) may in writing appoint a person other than a Director who is approved by a majority of the other Directors to act as an Alternate Director in the appointor’s place whether for a stated period or periods or until the happening of a specified event or from time to time.

12.2 An Alternate Director:

(a) may be removed or suspended from office in writing by the appointor or by ordinary resolution of the Society;
(b) subject to these Articles, is entitled to receive notice of meetings of the Directors and to attend and vote if the appointor is not present;
(c) may exercise all the powers of the appointor except the power to appoint an Alternate Director and, subject to the Corporations Act 2001, perform all the duties of the appointor in so far as the appointor has not exercised or performed them;
(d) automatically ceases to be an Alternate Director if the appointor ceases to be a Director;
(e) whilst acting as a Director is responsible to the Society for the Alternate Director’s own acts and defaults and the appointor is not responsible for them;
(f) may not receive any remuneration from the Society as a Director except for any special services which in the opinion of the Directors are outside the scope of the ordinary duties of a Director; and
(g) may not be taken into account separately from the appointor in determining the number of Directors.

12.3 If the appointor retires by rotation but is re-elected by the meeting at which the appointor retires, the appointment of the Alternate Director continues to operate as if the appointor had not retired.
13. Local management
13.1 The Directors may provide for the management and transaction of the affairs of the Society in a specified locality whether in Australia or abroad as they think fit and Articles 13.2 to 13.4 do not limit the generality of this Article.

13.2 The Directors may establish local boards or agencies for managing any of the affairs of the Society in a specified locality and may appoint persons to be members of those local boards or managers or agents and may fix their remuneration.

13.3 The Directors may delegate to a person so appointed any of the powers vested in the Directors and may authorise the members of a local board or any of them to fill vacancies in it and to act notwithstanding vacancies.

13.4 Any such appointment or delegation may be made on terms that the Directors think fit and the Directors may remove a person so appointed and may revoke or vary any such delegation.

14. Secretary
14.1 A Secretary holds office on such terms and conditions, as to remuneration and otherwise, as the Directors determine.

15. Obligations of the Society
15.1 The Society must determine the Accounting Period in any calendar year.

15.2 The Society must follow a consistent practice in attributing the receipts and expenditure of the Society to an Accounting Period.

15.3 The Society must exercise reasonable endeavours to collect monies under the Statutory Scheme and the Voluntary Scheme and having regard to the expenses to be incurred in the collection of these monies.

15.4 The Society must establish and operate:
   (a) a Statutory Trust Fund;
   (b) a Voluntary Trust Fund; and
   (c) a Society Reserve Fund.

15.5 The administrative costs and other outgoings of the Society that are paid out of the Statutory Trust Fund and Voluntary Trust Fund must be reasonable.

16. Allocation and Distribution of Money

16.1 The Society must not distribute dividends to Members.

Statutory Scheme
16.2 In each Accounting Period, the Statutory Collection must be dealt with in the following order:
   (a) for the payment of all reasonable expenses that are incidental to the conduct, management and operation of the Society as the Directors consider appropriate;
   (b) for such special purposes (including cultural and charitable purposes) that the Directors consider are in the interest of the Society, provided that the funds expended for special purposes do not exceed 1% of the Statutory Collection;
   (c) to the Society’s Reserve Fund to meet any anticipated future obligations of the Society as the Directors consider appropriate; and
   (d) the remainder, for payment to each Qualified Person who is a Member, in accordance with their Potential Share, as soon as reasonably possible after determination of their entitlement under Article 17.
16.3 If the Society is unable, at the time of allocation, to distribute a Potential Share (accruing under Article 16.2(d)) because the Qualified Person is not a Member or for any other reason, the Society must hold that Potential Share on trust and pay it to the Qualified Person (or their Agent), as soon as reasonably possible, or otherwise in accordance with Article 16.6.

Voluntary Scheme
16.4 In each Accounting Period, the Voluntary Collection must be dealt with in the following order:

(a) for the payment of all reasonable expenses that are incidental to the conduct, management and operation of the Voluntary Scheme as the Directors consider appropriate;
(b) for such special purposes (including cultural and charitable purposes) that the Directors consider are in the interest of the Society, provided that the funds expended for special purposes do not exceed 1% of the Voluntary Collection;
(c) to the Society’s Reserve Fund to meet any anticipated future obligations of the Society under the Voluntary Scheme as the Directors consider appropriate; and
(d) the remainder, for payment to each Qualified Person in accordance with their Potential Share, as soon as reasonably possible after determination of their entitlement under Article 17.

16.5 If the Society is unable, at the time of allocation, to distribute a Potential Share (accruing under Article 16.4(d)) for any reason, the Society must hold that Potential Share on trust in the Voluntary Trust Fund and pay it to the Qualified Person (or their Agent), as soon as reasonably possible after determination of their entitlement under Article 17, or otherwise in accordance with Article 16.6.

Undistributed Trust Monies
16.6 If any Potential Share has remained in the Statutory Trust Fund or the Voluntary Trust Fund under Articles 16.3 and 16.5 for a period of four years from the end of the Accounting Period in which the Directors determined the relevant total Distributable Amount, the monies may be distributed in accordance with Articles 16.2 and 16.4, unless the Directors are satisfied that special circumstance require the monies to be held on trust for a further period of not more than two years.

Other Monies
16.7 Any monies received by the Society from any source other than under the Statutory Scheme or the Voluntary Scheme may be dealt with by the Society in its absolute discretion.

Competing Claims
16.8 Where there is a dispute between two or more Members with respect to entitlement to a Potential Share, and that dispute has not been resolved by the end of the Distribution Period, the disputed Potential Share must be paid into the Competing Claims Fund at the end of the Distribution Period.

16.9 Monies placed in the Competing Claims Fund must remain in the Competing Claims Fund until the dispute between the relevant Members has been resolved, or for a period of no longer than one year, whichever is the shorter.

16.10 If the dispute has not been resolved at the end of one year from the date of payment into the Competing Claims Fund, the monies must be distributed in accordance with Articles 16.2 and 16.4.

16.11 Distributions made from the Competing Claims Fund, either on resolution of the relevant dispute or on the expiry of one year, are final and binding.
17. Determination of Entitlements

17.1 The Directors must determine the total Distributable Amount at least once in each Accounting Period.

17.2 The Directors must exercise reasonable endeavours to ensure that each Potential Share is allocated equitably and accurately.

17.3 The Directors must, in determining the scheme of allocation of the Distributable Amount, have regard to all relevant matters including without limitation the following:
   (a) records;
   (b) information provided under a sampling procedure; and
   (c) any information obtained by the Directors that assists in ascertaining the nature and extent of use of the Copyright Works or the Registered Titles.

17.4 The Directors may request a Qualified Person to supply the Society with any details, including without limitation details relating to a Copyright Work or a Registered Title for any purpose including without limitation verification that the Qualified Person is a Copyright Owner or a Registered Title Owner.

17.5 Except as provided in Articles 16.8 and 17.7 the allocation of Potential Shares by the Directors is final and binding.

17.6 If a person claims to be entitled to a share in the Statutory Collection or the Voluntary Collection and has not been allocated a Potential Share, the Directors may if satisfied that the person is entitled to a payment, make any payment to the person that they consider fit, from the Society's Reserve Fund.

17.7 If the Directors determine that a Potential Share allocated and paid to a Qualified Person constitutes an over-allocation, the excess may be deducted from any subsequent allocation by the Directors to that person.

17.8 Where the accumulated total of monies allocated to a Qualified Person is less than $200.00, or such other sum that is determined by the Directors, the Directors may retain the amount of the relevant Potential Share in the Statutory Trust Fund or the Voluntary Trust Fund as applicable.

17.9 The Directors may from time to time make and publish rules regulating the use of funds from time to time accounted for in the Society’s IBNR Fund, the Society’s Competing Claims Fund and the Society's Reserve Fund, including without limitation the amalgamation of those two Funds, in accordance with which the determination and distribution of entitlements will be made. The power in this Article 17.9 may only be exercised if the Directors form the view that it will enhance the purposes referred to in Articles 16.2, 16.4 and 16.6 and not cause any detriment to the persons referred to in Articles 16.2, 16.4 and 16.6.

18. Authentication of Documents

18.1 Every document signed on behalf of the Society by a Director must be counter-signed by the Secretary or a second Director or some other person appointed generally or in a particular case by the Directors for that purpose.

Negotiable instruments

18.2 Cheques, bills of exchange, promissory notes and other negotiable instruments may be signed, accepted, drawn, made or endorsed on behalf of the Society in the manner and by persons (whether Directors or officers of the Society or not) as the Directors determine but not otherwise.
Signatures by electronic means
18.3 The Directors may determine generally or in a particular case that the signature of a Director, Secretary or other person appointed by the Directors for the purpose of signing documents may be written by a specified electronic means.

19. Accounts
19.1 The Directors must cause accounts and records to be kept relating to:
   (a) sums of money received and expended by the Society and the reason for the receipt and expenditure;
   (b) the manner in which the allocation of moneys by the Society is determined and carried out; and
   (c) the assets and liabilities of the Society.

19.2 The accounts and records must be kept at the Registered Office or at such other place or places as the Directors think fit, and must always be open to inspection by the Directors.

19.3 Subject to the Corporations Act 2001, the accounts of the Society must be examined by the Auditor at least once in every year. The Auditor must prepare a report to the Members following their examination.

20. Inspection of Books
20.1 Subject to the Corporations Act 2001 and any resolution of the Society in Members’ meeting, the Directors may determine whether and to what extent and at what times and places and under what conditions and regulations the books and documents of the Society or any of them will be open to inspection by the Members and other persons.

20.2 A Member, not being a Director, is entitled to have reasonable access to inspect the records of the Society insofar as the records relate to that Member’s entitlement to receive a Distributable Amount, at such times and places and under such reasonable conditions as the Directors determine.

20.3 Where a Member requires access to the Society’s records, the Member must provide notice to the Society specifying:
   (a) the category of records that the Member wishes to inspect;
   (b) the date of inspection, not less than seven business days from the date on which the Society received notice; and
   (c) an undertaking by the Member to pay all reasonable costs incurred by the Society in providing such an inspection.

21. Service of Documents
21.1 A notice or other document may be delivered or served by the Society either personally or by sending it:
   (a) in the case of a Member who does not have a registered address in Australia, by airmail post; and
   (b) in any other case, by ordinary post, to the registered address notified in writing to the Society by that Member and is at the risk of the addressee as soon as it is given or posted.

21.2 A Member whose registered address is not in Australia may specify in writing an address in Australia to be deemed the Member’s registered address within the meaning of Article 21.

21.3 A document sent by post is to be deemed received or served on the day next following that on which it was posted. In proving delivery or service it is sufficient to prove that the envelope or wrapper containing the document was properly addressed and stamped and was posted.
21.4 A certificate in writing signed by a Director, Secretary or other officer of the Society that a document or its envelope or wrapper was properly addressed and stamped and was posted is conclusive evidence of those facts.

21.5 A notice or other document may be served by the Society on a Member or other person under these Articles by sending it by facsimile to that person at the facsimile number notified in writing to the Society by that Member or other person. A notice so sent is to be deemed served if the correct facsimile number appears on the facsimile transmission report generated by the sending facsimile machine and to have been effected at the time the facsimile transmission is sent.

21.6 A notice or other document may be served by the Society on a Member or other person under these Articles by sending it by electronic mail or other electronic means to the unique resource locator, domain name or other electronic address notified in writing to the Society by that Member or other person. A notice so sent is to be deemed served at the time it was sent in its entirety.

21.7 Subject to the Corporations Act 2001:
   (a) if a given number of days’ notice or notice extending over any other period is required to be given, the day on which the notice is to be deemed served and in case of a notice convening a meeting the day on which the meeting is to be held are to be excluded in calculating the number of days or other period;
   (b) if these Articles require or permit a notice to be given by the Society, the Directors, a Director or the Secretary, neither accidental omission to give the notice nor non-receipt of the notice invalidates the meeting, resolution, procedure or matter to which the notice relates;
   (c) the signature to a written notice need not be handwritten;
   (d) a reference in these Articles to signing a notice or any other thing includes authentication in a manner approved by the Directors; and
   (e) all summonses, notices, process, judgments and orders in relation to any legal proceedings by the Society or its liquidator against a Member not in New South Wales may be served by certified or registered post (the foregoing provisions as to notices applying with necessary changes) and that service is to be deemed personal service.

22. Indemnity
   Indemnity of Officers and Auditor

22.1 Subject to this Article 22, to the extent permitted by law the Society indemnifies each Officer and Auditor against any liability to another person incurred by the Officer or Auditor as an Officer or Auditor of the Society.

22.2 The indemnity referred to in Article 22.1 does not indemnify an Officer or Auditor against a liability:
   (a) owed to the Society or a Related Body Corporate;
   (b) for a pecuniary penalty order under section 1317G or a compensation order under section 1317H, section 1317HA or section 1317HB; or
   (c) that is owed to someone other than the Society or a Related Body Corporate and did not arise out of conduct in good faith.

This Article 22.2 does not apply to a liability for legal costs.

22.3 The indemnity referred to in Article 22.1 does not indemnify an Officer or Auditor against legal costs incurred in defending an action for a liability incurred as an Officer or Auditor of the Society if the costs are incurred:
   (a) in defending or resisting proceedings in which the Officer or Auditor is found to have a liability for which the Officer or Auditor could not be indemnified under Article 22.2;
(b) in defending or resisting criminal proceedings in which the Officer or Auditor is found guilty;
(c) in defending or resisting proceedings brought by the Australian Securities and Investments Commission or a liquidator for a court order if the grounds for making the order are found by the court to have been established; or
(d) in connection with proceedings for relief to the Officer or Auditor under the Corporations Act 2001 in which the court denies the relief.

Article 22.3(c) does not apply to costs incurred in responding to actions taken by the Australian Securities and Investments Commission or a liquidator as part of an investigation before commencing proceedings for the court order.

22.4 For the purposes of Article 22.3, the outcome of proceedings is the outcome of the proceedings and any appeal in relation to the proceedings.

22.5 The Society may, in accordance with the Corporations Act 2001, pay the premiums on contracts insuring a person who is or has been an Officer or Auditor of the Society.

23. Confidentiality
23.1 Every Director, Managing Director, Manager, Secretary, member of committee, or other officer employed or engaged in the business of the Society and having access to records, accounts, transactions and any other information relating to the affairs of the Society, must sign a declaration that they will not reveal other than to the Directors or management, and not use for their own business or private purposes, any information relating to such matters which has come to their knowledge, except where required to do so by the Directors or by a Members’ meeting or under a duty imposed by any statute or law.

24. Members’ Information
24.1 To the extent permitted by law, the Society may collate information provided to the Society by a Copyright Owner or a Registered Title Owner, and disclose such information in a manner consistent with the objectives of the Society.

25. Paramount Articles
25.1 The definition of Accounting Period in Article 1.1, and all of Articles 15.1, 15.2, 15.3, 15.4, 15.5, 16.1, 16.2, 16.3, 16.6 and 20.2 will have effect despite the operation of any contrary provision in the Articles.
