

SCREENRIGHTS

Corporate Governance Statement

1. General Statement

- 1.1 Screenrights is dedicated to maximising the incentive provided by the copyright system for the production of audio-visual works. Specifically Screenrights aims to:
- maximise returns to audio-visual rightsholders through collective management of rights; and
 - encourage access to our members' content in return for fair fees.
- 1.2 In furtherance of these goals, Screenrights seeks to maintain and foster principles of corporate governance that accord with best practice and are appropriate for a declared collecting society, requiring the highest standards of behaviour and accountability.
- 1.3 It is recognised that it is neither possible nor desirable to lay down prescriptive rules to dictate actions in the varied circumstances that may confront an organisation in its future. Nonetheless the Board of Directors of Screenrights acknowledges the general statements concerning governance, ethics and the obligations of Directors in this paper and adopts this policy, and will review it as necessary.
- 1.4 The aim of the Screenrights Board of Directors is stewardship that is effective, accountable and fair.

2. Governance For Whom?

- 2.1 The Board comprises individuals elected by the members of Screenrights. It has collective legal responsibility for directing the affairs of Screenrights for the benefit of the members (present and future), recognising the interests of other stakeholders, notably the public (directly and through the office of the Minister for Communications and the Arts), the statutory and voluntary licensees, employees and other parties with whom Screenrights interacts.
- 2.2 In a more general sense, Directors of all companies have a role in economic and social development through effective management of resources in the national and global interest. Screenrights Directors recognise a direct responsibility to rightsholders but also a partnership with copyright users and with the Federal Government.
- 2.3 The Board (and Screenrights) stand in a fiduciary relationship to relevant rightsholders who are members. Although the interests of members are paramount, the interests of groups other than the membership are important and the Board seek solutions that benefit all parties, where possible.
- 2.4 There are no nominees or Directors representing a constituency within the membership. Some Directors are associated with member organisations and/or have knowledge of the views of member groups. It is desirable and proper for Directors to present the views of individual members or member groups to the Board. It is neither desirable nor proper for Directors to act in the interests of individual members, member groups or groups that may have supported their election to the Board. Directors acknowledge their legal duty to act in the best interests of Screenrights.

3. Board Responsibilities and Functions

- 3.1 The Board is responsible for providing leadership and direction to management. Further Board responsibilities include:
- (a) adopting the most effective structure that best assists the governance process;
 - (b) ensuring that policies on key issues are in place and are appropriate; and
 - (c) ensuring that risks facing Screenrights have been identified, assessed and that the risks are being properly managed.

The Board encourages openness of administration.

- 3.2 Certain Board functions may be delegated, including delegation to Committees. The Board retains responsibility for delegated functions.

- 3.3 The principal functions of the Board are:

- (a) To establish corporate objectives and, with management, to set the strategic direction and the policies required to effect those objectives;
- (b) To ensure control systems are in place to monitor:
 - (i) compliance with law and ethical standards;
 - (ii) financial performance and risk management, including compliance with Accounting Standards;
 - (iii) accountability to members, the Government and other interested persons.
- (c) Specifically, to adopt, up-date and amend as required:
 - (i) the mission statement;
 - (ii) the strategic plan;
 - (iii) the annual budget;
 - (iv) the Distribution Policy.
- (d) To appoint the Chief Executive; including determining remuneration and performance criteria and considering succession planning.
- (e) To delegate the running of Screenrights to management and to ensure systems of accountability and adequate reporting.
- (f) To report to members.

4. Board Composition

- 4.1 The Screenrights Board comprises twelve Directors.
- 4.2 To promote independent views and to ensure a range of experience and skills, all Directors are non-executive Directors. The absence of executive Directors is compensated by the presence at Board meetings of the Chief Executive and by having another senior executive acting as Company Secretary.

- 4.3 Independent non-executive people should be encouraged to nominate for Board positions.

5. Period of Office

- 5.1 Under the Memorandum and Articles of Association, at the annual members' meeting one third of Directors, being those longest in office in their current appointment, retire by rotation.
- 5.2 A Director may not retain office for more than three calendar years or beyond the third annual Members' meeting following the director's election (whichever is the longer period) without submitting for re-election.
- 5.3 The Board believes that members should be entitled to elect and re-elect Directors of their choice unfettered by arbitrary maximum terms of office. Whilst there is no maximum term of office the Board will review Directors' terms of office annually.

Chair

- 5.4 Legally, the Chair has no greater authority than any other Director, but Screenrights looks to the Chair to:
- ensure that the Board provides leadership and vision to the entity;
 - establish the Board agenda;
 - ensure that all Directors are informed of the agenda for meetings and have adequate background information on which to base decisions;
 - ensure that Board minutes properly and accurately reflect Board decisions;
 - encourage the full participation of Directors;
 - commence the regular process of Board and Director evaluation;
 - guide the ongoing effectiveness and development of the Board and individual Directors;
 - assist in representing Screenrights; and
 - maintain regular contact with the Chief Executive and receive briefings on policy implementation between meetings of the Board.
- 5.5 The position of the Chief Executive and the Chair will be held by different persons, in the interest of accountability and to avoid the concentration of power otherwise created.

Committees

- 5.6 As Screenrights has grown and developed and with the complexity of the issues dealt with by the Board, the Board has appointed:
- an audit & risk committee,
 - a remuneration committee

and will appoint such other committees or sub-committees as the Board deems appropriate from time to time.

The Charter of these Committees is described in the Appendices.

- 5.7 All members of committees or sub-committees will be appointed or reappointed at the first Board meeting following the election of Directors in each year.

6. Role of Individual Directors

6.1 Directors recognise that they are expected to:

- discharge their duties in good faith and honestly in the best interests of Screenrights with the level of skill and care expected, demonstrating commercial reasonableness in their decisions;
- use the powers of office for a proper purpose, in the best interests of Screenrights as a whole;
- exercise independence and act in the interests of the general body of members, rather than any sectional interest;
- avoid conflicts of interest;
- act with discretion and maintain confidentiality;
- have a genuine interest in Screenrights and a desire for it to succeed and, where appropriate, to promote Screenrights to others;
- devote time to attendance at meetings, reading and analysing Board papers and considering strategic issues, undertaking diligent analysis of all proposals placed before the Board;
- make reasonable enquiries to ensure that Screenrights is operating efficiently effectively and legally towards achieving its goals;
- monitor Screenrights' financial reporting systems and financial performance;
- serve on Board committees as required;
- make a positive contribution to decision making; and
- regularly review their performance as Directors and as a Board.

7. Independent Advice

7.1 Directors may seek independent professional advice, at the expense of Screenrights, after first securing the consent of the Chair or the Chief Executive, such consent not be unreasonably withheld. The first point of contact for advice is the Chair, the Chief Executive or the Company Secretary.

8. The Board and Employees

8.1 Requests for information and similar communications between employees and the Board are made through the Chief Executive.

9. The Role of Management

9.1 The role of management is to develop, implement and evaluate systems to meet Screenrights' objectives. Management is responsible for the efficient allocation of Screenrights' resources.

10. Role of Members and voting

10.1 The Board respects the importance of the membership in the exercise of its delegated authority. At the Annual General Meeting members may participate in debate on policy matters that affect their Society and members may call extraordinary general meetings.

10.2 The Board of Directors seeks to ensure that members are informed of major developments and strategic directions adopted by their Society. As the membership is

geographically dispersed, Directors understand that attendance at general meetings cannot be possible in most cases. The Board aims to inform members of developments through the Annual Report, the newsletter and direct correspondence. The Annual Report of Screenrights is available on the website at <https://www.screenrights.org/wp-content/uploads/2018/12/SCR-4536-AR-2018-Vweb-Final.html>

- 10.3 Voting for the election of Directors is by poll and is conducted by an online ballot. The ballot provides for each member to have one vote plus one additional vote for each \$500 distributed to the member in the previous accounting period, provided that no member is entitled to exercise more than 15% of the total votes available to members.
- 10.4 Other than for the election of Directors, in a general meeting voting by a show of hands is conducted on the basis that each member has one vote, unless a poll is duly demanded. The Board believes that voting by poll is more equitable and the Chair will offer this opportunity and welcome any valid demand. Nonetheless the Board accepts that there will be a delay in proceedings at the meeting while a poll is conducted and hence suggests that voting by show of hands should be employed where no poll is demanded.
- 10.5 Where a discretionary proxy is given, the proxy holder will exercise the proxy in the same manner as the proxy holder casts their personal vote (or in the manner they would have voted, if entitled). Where a proxy is given with directions, those directions will be followed.

11. Code of Conduct

- 11.1 Screenrights became a signatory to the Code of Conduct for Copyright Collecting Societies in 2002.
- 11.2 Compliance with the Code of Conduct is promoted across the organisation and reinforced by annual employee training.
- 11.3 Screenrights provides a written report to the Code Reviewer on an annual basis. The Code Reviewer assesses all signatories' compliance with the Code of Conduct. The Code Reviewer's current Annual Compliance Report is on Screenrights' website at: <https://www.screenrights.org/wp-content/uploads/2018/12/Code-Reviewers-Compliance-Report-2018.pdf>

12. Diversity

- 12.1 Screenrights is an equal opportunity employer and is committed to having policies in place to facilitate the selection, recruitment, training and promotion of the best qualified people in all job classifications, in a fair and non-discriminatory manner.
- 12.2 Screenrights aims through its people to reflect and celebrate the diversity of the Australian and New Zealand communities and for its services to promote diversity in the screen sector to better serve its members and the stakeholders who access its services.

13. Privacy, Confidentiality and Accountability

- 13.1 Directors and employees are required to give undertakings in writing to Screenrights concerning confidentiality. Statements in this document do not affect those obligations.

- 13.2 Screenrights respects the privacy of individuals and respects the confidentiality of the commercial information owned by its members. Screenrights equally adheres to the principles of open and accountable administration in its own affairs.
- 13.3 Screenrights also holds information that may be confidential to a member or to a person other than itself or about which disclosure may infringe an individual's privacy. Examples in this category include information on allocations made to members and the contractual rights disclosed to Screenrights in the course of verifying entitlements to those allocations. Directors shall not have access to information in this category unless they are not associated with member organisations which receive distributions, and then only when absolutely necessary to the performance of their duties.
- 13.4 Directors do not interpret this obligation of confidentiality as impeding the important task of publicising the benefits of membership, including providing general information about copying practices and returns generated by certain categories of works.
- 13.5 The Screenrights Privacy Policy is on the website at: <https://www.screenrights.org/privacy-policy/>

Appendix A

Some Specific Legal Duties and Issues

- 1.1 The Board respects the fundamental principle that a Director must not make improper use of his or her position. It is noted that this obligation could be breached in situations including:
- entering into related party transactions in certain circumstances;
 - inadequately recognising or managing a conflict of interest; or
 - making improper use of information or a corporate opportunity.
- 1.2 By way of guidance to individual Directors, the Board's general approach to these duties is briefly outlined.

Related Party Transactions

- 1.3 Commercial dealings between Screenrights and a Director (or a company in which the Director has significant influence or control) will not be entered into unless the transaction is:
- on commercial terms;
 - negotiated at arms length, in good faith and, if possible, without the personal intervention of the Director concerned;
 - of advantage to Screenrights;
 - done with the full knowledge and agreement of the disinterested members of the Board; and
 - fully disclosed in the financial report.

Management of Conflicts of Interest

- 1.4 Directors must not put themselves in a position where there is a potential conflict of interest. Common law and statute impose a duty to avoid conflicts of interest. The Corporations Act requires full disclosure to the Board of a conflict or potential conflict. Where there is a material personal interest, the Corporations Act prohibits the Director from being present during discussion of the matter unless a resolution is passed allowing the Director's attendance.
- 1.5 Where a potential conflict arises, responses including the following may be appropriate, depending on the circumstances:
- refraining from voting;
 - refraining from participation in the debate;
 - seeking the consent of the Board to be present and vote;
 - absenting oneself from the relevant part of the Board discussions; or
 - resigning as a Director.
- 1.6 Although it is not possible to be prescriptive of appropriate conduct without reference to the circumstances of the case, Directors believe that the appropriate course of action in most cases of potential conflict is for the relevant Director(s) to absent themselves from that part of the meeting where the matter is discussed and to arrange, where possible, that relevant Board papers are not sent to them. These duties are more fully set out in Screenrights' Conflicts Code at Appendix D.

Improper Use of Information

- 1.7 Directors have a duty not to use information acquired as a Director to gain an advantage for themselves or others or to cause detriment to Screenrights.
- 1.8 The corporate governance policy assists Directors in describing certain information confidential to third parties which Directors agree not to seek. Where information is acquired as an incident to their Directorship, Directors acknowledge that they must not use this information for their personal advantage in breach of their legal duties.

Appendix D

SCREENRIGHTS' CONFLICTS CODE

Declaration of Interest

A Director must always avoid the situation in which they have the opportunity to prefer their own interests above those of Screenrights. Whenever a Director has a material personal interest in a decision to be made by the Board, the Director must make a declaration to the Board that a conflict of interest has arisen and fully disclose the nature of that conflict to the Board.

The situations in which a conflict of interest may arise are many and various, and the onus is on individual Directors to decide when there is a real and sensible possibility of conflict.

Subject to the considerations referred to above, a declaration of interest should be made in the following circumstances:

- Where a Director, or a member of the Director's family is likely to make a financial gain of any kind as a result of the Board's decision;
- Where a Director or a company or organisation in respect of which the Director, or a member of the Director's family, is a Director, an employee with power to influence, a direct shareholder, a member or a creditor:
 - takes or threatens to take any form of legal action against Screenrights;
 - proposes to enter into a contractual arrangement with Screenrights which is the subject of a Board decision;
 - is competing with Screenrights in respect of a commercial transaction.

The following circumstances do not, of themselves, constitute a conflict of interest:

- Where a Director, or an associate of a Director, or a member of the Director's family, is a Director, shareholder, member or creditor of another collecting society or company;
- Where the decision to be made by the Board affects the financial interests of a Director as a result only of the Director's membership of Screenrights.

Obligations of Fellow Directors

A Director who becomes aware that a fellow Director is, or may be, subject to a conflict of interest and has not made any declaration to the Board at the time the subject matter of the conflict is tabled for discussion by the Board, shall inform the Board of the conflict.

Action to be Taken by the Executive of Screenrights

The Company Secretary, in consultation with the Chief Executive of Screenrights, shall bring to the attention of the Board the existence of any conflict which comes to their attention and may, whether or not any declaration of interest has been made by a conflicted Director, elect to withhold Board briefing papers from the Director where the contents of the briefing paper make reference to or concern the subject matter of the conflict.

In the event that such a decision is made by the Company Secretary, in consultation with the Chief Executive of Screenrights, the Director concerned shall be notified in writing of the decision and the reasons for it, such that the Director is given a reasonable opportunity in all the circumstances to consider their position and formulate a response to the Board.

Dispute as to Existence of Conflict

The existence or otherwise of a conflict of interest is a matter for the Board, not the Executive. A Director who is dissatisfied with a decision taken by the Executive in accordance with the previous paragraph may raise any objections only with the Board.

Action to be Taken by the Board of Screenrights

The Board shall require a conflicted Director to fully disclose the Director's personal interest and the circumstances giving rise to the conflict, and may then:

- request that the conflicted Director not read any Board papers, participate in any discussions, or vote on any resolution in relation to the subject matter of the conflict; or
- pass a resolution which:
 - specifies the Director, the interest and the matter;
 - states that the Directors voting for the resolution are satisfied that the interest held by the conflicted Director should not disqualify the conflicted Director from considering or voting on the matter; or
- take any other action which the Board considers appropriate.
